

Notice of Interest

Please use this form to notify the Xerces Society of your interest in engaging our pollinator specialists to help you meet the requirements of the Bee Better Certified™ Production Standards and assist with the creation of a Bee Better Certified plan. The plan is required as part of your application to Oregon Tilth, the third-party certifying body.

Consultation services you are interested in (please check the relevant boxes):

- Habitat planning and management
- Pesticide risk assessment
- Non-pesticide techniques (including scouting and monitoring plans)
- Bee Better Certified plan development

Consultation costs are based on the location, size and complexity of your operation. To help us create a cost estimate, please provide the following information:
